

# 1505 AIR CASE

**PRODUCT INTRODUCTION**

November 2024

# PRODUCT INTRODUCTION

Combining lightweight portability with rugged durability, 1505 Air is the latest Peli Air case engineered to protect everything from small drones to sensitive test equipment.

1505 Air is panel-ready, designed with an integrated bezel system so you can easily mount electronics, controls, and interfaces without compromising the IP67 rating.

Whether you're taking your laptop to the worksite or designing a new prototype, get best-in-class durable, portable, and versatile protection with the Peli 1505 Air.
